

Greenmarket Square - PART 1

16-Patch Block

Summary Cutting Chart for (4) Blocks

Dark: (32) 2½" x 2½" squares

Light: (32) 2½" x 2½" squares

For (1) Block:

(8) 2½" x 2½"

(8) 2½" x 2½"

MAKE (4) 16-Patch Blocks

1. Chain-piece light and dark squares together, making (16) strip sets, as shown. Set the stitching (press the sewn line of stitching so that the stitches settle into the fabric). Press seams open (or press to the dark fabric).

3. Pair strip sets, alternating light and dark. Always start sewing with a light fabric square on top (see diagram below). Align edges and pin, matching the seams.

4. Sew (4) strip sets together, making (4) blocks. Press seams open (or to the side).

Tip: When pressing a block with seams that are close together, let part of the block hang off the ironing board so that you can press each seam without the others being squashed.

Take your time and enjoy the process!
