NO WASTE FLYING GEESE METHOD

1. Take two of the Light Fabric squares and place them right sides together with the larger Dark Fabric square (see diagram). They will overlap a little in the middle. Make sure that they are perfectly lined up on the corners. Use pins to secure the squares.
2. Use a marker pen and draw a diagonal line across the backs of the Light Fabric squares.
3. Stitch on both sides of the drawn line with a scant ¼" seam allowance. Set the stitching by pressing the sewn line and cut along the drawn line.

4. 4.Press the seams towards the Dark Fabric, to create (2) L-shaped units.
5. 5.Take a Light Fabric square and place it right sides together on the Dark Fabric triangle of the L-shaped unit. Line up the corners and pin in position.
6. 6.Draw a diagonal line across the small square.

7. Repeat step 5 and 6 for the other unit.
8. Stitch both sides of the diagonal line with a scant $\frac{1}{4}$ " seam allowance.
9. Press to set the stitching and cut along the drawn lines.
10. Press the seams towards the Dark Fabric. Trim to $3\frac{1}{2}$ " x $6\frac{1}{2}$ ", removing dog ears and making sure there is $\frac{1}{4}$ " between the point and edge of the flying geese block.
11. Repeat steps 1 to 11 to make the Medium Fabric Flying Geese units with the remaining blocks.
12. Combine the Dark and Medium Flying Geese units as in diagram and stitch together with $\frac{1}{4}$ " seam allowance.

13. Press to set the stitching and press seams towards the Dark Fabric.
14. Make sure blocks measure $6\frac{1}{2}$ " x $6\frac{1}{2}$ ".

Happy Stitching!
